The State street Congregational Sunrah will dispense with Sunday evening services in July. The Rev. Dr. Rockwell, of the Central Presbyterian Church, and the Rev. C. S. Robinson of the Heary street Presbyterian Church, intend to eave next week for a trip to Lake Superior. The Rev. Ext. Lowery, of the Hanson piece Bapist Church, except to be abasent during August, and Sunday evening ervices during that month will be omitted.

A SERIOUS AFFRAY. — Two men, named Dominick Connelly and Michael Heeny, were arrested justerday by the Forty-fifth precinct poince, for having with others engaged in a bloody afray. From the statements made by the injured parties, it appears that on Thursday evening Dominick Connelly. Michael Heeny still his wife, Michael Adams, and Thomas Gibbons, entered a tenement house on North Eigath street, near First, and proceeding to the rooms occupied by Wm. Connelly and family, brutally beat his wife on account of some family difficulty. A young man named Thomas McDonald, being present, interfered, when they turned upon and beat him in a shocking manner, and then left. Yesterday morning the parties returned, and attacking Wm. Connelly, drugged him late an alter-way, where, as he alleges, Dominick Connelly knocked him down with a sing-shot, and left him for doad. Several persons who interfered were also attacked. Honora Connelly and Margaret McDonald were severely beaten, the latter being badly errised, her eyes nearly closed up, and the bridge of her nose broken, and she is considered in a very critical condition. The prisoners were committed for an examination. A SERIOUS AFFRAY. - Two men, named

We do not protend to criticise sheet music, or any music off the stage The Governor has issued his proclamation or out of the concert room. It would consume too much space for our means-particularly as what comes forth as original is not the product of science and art, with rare exceptions. We merely notice this to say it Each county must furnish its own quota of the one is carefully written and ought to be effective. The

didiers have their share of these supplies as well as the

BAD STREETS AND FAST DRIVING .- Broadway and other streets in this city were in a bad condition yesterday, owing to the recent rain, which changed the dust into mire, making it dangerous for pedestrians Sales to day 10.000 biles. the market closing from but un-changed. Of to-day's sales speculators and experiers took 4,000 biles. The following are the quotations for Midding: Orleans, 40d. Mobiles, 2016; Uplands, 39d. Flour tends upward. When active and advanced 147d. Corn firmer and advance 16d. were it not for the vigilant and polite police officers on Broadway, it would not be safe for a lady to venture across the street. Our modern Jehus, not satisfied with be spattering mud upon those whom they pass on foot, seein determined to run over all who prefer walking to riding in their conveyances. The more frequent an forcement of the law against fast driving would prevent a vast amount of casualties that now happen in this community.

a vast amount of casualties that now happen in this community.

If the proprietors of public conveyances in this city have any regard for the welfare of their fellow-citizons, they will warn the men in their service of the consequences of seckless driving, and dismiss them from their comployment if they reposit their violations of the municipal laws in relation to fast driving. Dodging earts and carriages is a fine art that few have time to practice, and one that ladies have not taste for.

ANOTHER SAD ACCIDENT.—On the morning of the Fourth of July last Miss Rilzabeth Peckham of this city, bearding for the Summer with her mother and sisters at Yonkera, was burned to death by her clothes taking fire from fire crackers. She lingered in great agony until Tuesday morning. She was a great favorite with her companions and their grief will be mingled in heartfall sympathy with that of her mother and sisters.

THE DRAFT IN THE FIFTH DISTRICT.—A supplementary draft to fill a deficiency in the Vth Congressional District will take place at Newark on Monday next. The deficiency in Jersey City on the 25th of May was 83; since that time 77 men have been obtained, leaving a deficiency of 6. An effort will be made to accure the six mon before Monday moon.
